Idea Lab Events over the past 9 years has turned into a turnkey experiential agency, offering a wide range of events. Over the past 7 years Idea Lab Events have built up an extraordinary relationship with the Sense of Taste Team, Sense of Taste always goes above the Call of Duty & this is why we have made Sense of Taste our chosen & preferred suppliers to handle all our Cape Town based events.

Sense of Taste's creative flair, professional timing, quality & friendly staff are all elements that bring a great event to life, as these elements are crucial when executing a successful event.

No brief is ever too big or small for the Sense of Taste Team, Chef Peter & Debs are always willing to go the extra mile to create a world class event from their amazing & out of the box menu's to their superb service.

Deadlines are never an issue for the Sense of Taste Team who with their bubbly & energized personalities always deliver on time with fresh new ideas & ultimately deliver beyond our expectations.

As Idea Lab Events we can highly recommend the Sense of Taste Team that truly deliver with attention to detail making it an unforgettable and memorable experience for all parties concerned.
