Dear Chef & Debs

Thank-you so much for all your help on the Design Indaba Dine around dinner.

We appreciate that working with a designer is hell, we have very fixed ideas of what should represent us as people and as a brand and to rely on others to execute is really tough. We are very protective of our creative process.

The fact that you were able to step in and successfully pull off this event at the last minute without knowing us well, is a measure of your professionalism and expertise in your field. With all that said, the food was DELICIOUS, unpretentious, generous and fresh.

We like to associate with Quality, Luxury, Design, service and exclusivity and you and your team matched us word for word.

Once again, thanks

Malcolm and Christiaan"
